

Music & Sound

Years 3& 4 Spring 2, Cycle B

Our Science Topic is sound and we will look at how we hear sound and what it is. We will Design and make musical instruments in DT and read about famous composers. We will perform our own music.

English	Our focus genre is sound poetry and our class book for this topic is Poems to Perform, an anthology by Julia Donaldson, including The Sound Collector, by Roger McGough. We will read, study, perform, and write our own poetry.	Maths	Year 3 will cover Statistics, Length and Fractions. Year 3 will cover Fractions (2 units) and Decimals.
Science	We will learn that sound is vibrations, and look at the structure of the human ear. We will learn about pitch and volume and how sound travels over distance.	P.E.	Fundamental movement skills/games Netball
History	We will look at the lives of some famous musicians and learn about the invention of the telephone.	Geography	Map Work- We will learn what Latitude and longitude are and identify the tropics, equator and poles.
PSHE	Being Me	RE	Why is Jesus inspiring to some people?
Computing	Music and Sound	Music	We will learn the song Lean on Me through our music scheme Charanga.
Art	We will learn about sound artists and environmental artists, looking at the works of Andy Goldsworthy, Susan Philipsz among others. We will create our own Environmental Art- considering sight sound, texture and movement in our work and site specific art.	Design	Links to Art- design and make an outdoor Art installation that moves, creates sound, and is adequately weather-proof.
