

# Scrumdiddlyumptious

Years 3 &4

Our Science Topic is Animals Including Humans. We will learn about food chains, teeth and digestion. In DT, we will design and make a healthy lunchbox. We will create a set of teeth from clay and look at the colours and textures of Autumn by colour mixing and crafting.

| | | | |
|---|---|---|---|
| English | Our focus genre-is adventure stories. We will read the Famous Five, by Enid Blyton and create our own adventure stories. We will also look at and work on explanations, linking to our Science learning. | Maths | Year 3-Addition and Subtraction, and Multiplication and division, focusing on 3, 4, and 8 times tables.<br>Year 4- Perimeter and Multiplication and Division, focusing on 6, 9, 11 and 12 times tables |
| Science | *Animals including Humans (Y4)*- We will learn about food chains, types and functions of teeth, and the digestive system. | P.E. | Hockey<br>Basketball/Handball |
| History | - | Geography | We will develop our locational, place knowledge and map work, for the UK and world, linked to work on food chains. We will look at where animals live and the environment needed to support the food chain. |
| PSHE | Relationships | RE | What does it mean to be Hindu in Britain today?(1) |
| Computing | Digital exploration,<br>(including staying safe online) | Music | We will complete the Glockenspiel stage 1 unit of our Music scheme, Charanga. |
