

Food & Fitness

Years 3& 4 Autumn 2, Cycle B

In Science, we will learn about food and nutrition in animals and humans. We will look at skeletons and muscles. We will design our own exercise routine. We will look at recipes and make some healthy snacks in DT. In Art, we will look at still life painting.

English	Focus genre- instructions and recipes. Our class book is The Invisible, by Tom Percival, which spotlights poverty as one of its themes. We will also look at Funnybones, by Janet and Aalan Ahlberg.	Maths	Year 3-Addition and Subtraction and Multiplication and division, focusing on 3, 4, and 8 times tables. Year 4- Perimeter and Multiplication and Division, focusing on 6, 9, 11 and 12 times tables
Science	*Animals including Humans (Y3)*- Food, nutrition, skeletons, muscles.	P.E.	Hockey Basketball/Handball
History	Aspect of British History beyond 1066- Changes in lifestyles and how we keep fit. We will look at the history of exercise and look at how PE in schools began in the 1900s as 'drill'.	Geography	-
PSHE	Growing up	RE	What does it mean to be Christian in Britain today? (2)
Computing	Digital exploration, (including staying safe online)	Music	Charanga 4.2 Glockenspiel Stage 2
Art	Still life sketching and using oil and chalk pastels.	Design	As well as Poppy day and Christmas Crafts and cards, we will test design and make a healthy and nutritious vegetable soup.
